SAFETY DATA SHEET

Section 1: Identification of the substance/mixture and of the company/undertaking

Identification of the substance/ preparation:

Product Code: P.S.# 112530

Product name: Transport Media w/ Gentamicin

Company/Undertaking Identification

Integrated Genetics - 2000 Vivigen Way, Santa Fe, NM. 87505    1-800-848-4436

24 hour Emergency Response:    3E Company - (844)225-0663

Transport Media used to transport viable tissue specimen.

Section 2: Hazard(s) Identification

Gentamicin (10mg/ml), 35µg/ml of Total Tissue Culture Media Mixture
Precautionary statements
P261 - Avoid breathing dust/fume/gas/mist/vapors/spray
P280 - Wear protective gloves
P285 - In case of inadequate ventilation wear respiratory protection
P304 + P341 - IF INHALED: If breathing is difficult, remove victim to fresh air and keep at rest in a position comfortable for breathing
P333 + P313 - If skin irritation or rash occurs: Get medical advice/attention
P363 - Wash contaminated clothing before reuse

Hazards not otherwise classified (HNOC) - None known.

Section 4: First Aid Measures

First aid measures:

**Inhalation** Remove to fresh air. If not breathing, give artificial respiration. Call a physician.

**Skin Contact** Wash off immediately with soap and plenty of water. Remove contaminated clothing and shoes. Call a physician.

**Eye contact** Rinse thoroughly with plenty of water for at least 15 minutes, lifting lower and upper eyelids. Consult a physician.

**Ingestion** If swallowed, rinse mouth with water (only if the person is conscious). Never give anything by mouth to an unconscious person. Call a physician.

**Most important symptoms and effects, both acute and delayed**

**Symptoms** May cause allergy or asthma symptoms or breathing difficulties if inhaled.

**Indication of any immediate medical attention and special treatment needed**

**Note to physicians** Treat symptomatically.

Section 5: Fire Fighting Measures

**Suitable extinguishing media**
Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

**Unsuitable extinguishing media** No information available.

**Hazardous combustion products**
Carbon oxides, Nitrogen oxides (NOx), Oxides of sulfur.

Explosion data

**Sensitivity to Mechanical Impact** None.
**Sensitivity to Static Discharge** None.

**Protective equipment and precautions for firefighters**
As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

---

### Section 6: Accidental Release Measures

**Personal precautions, protective equipment and emergency procedures**
Use personal protective equipment as required. Evacuate personnel to safe areas. Ensure adequate ventilation, especially in confined areas. Avoid breathing dust/fume/gas/mist/vapors/spray.

**Environmental precautions**
Collect spillage. Prevent product from entering drains.

**Methods and material for containment and cleaning up**

**Methods for containment** Prevent further leakage or spillage if safe to do so.

**Methods for cleaning up** Soak up with inert absorbent material (e.g. sand, silica gel, acid binder, universal binder, sawdust). Pick up and transfer to properly labeled containers. Prevent product from entering drains.

---

### Section 7: Handling and Storage

**Precautions for safe handling**
**Advice on safe handling** Handle in accordance with good industrial hygiene and safety practice. Avoid contact with skin and eyes. Do not breathe dust/fume/gas/mist/vapors/spray. Ensure adequate ventilation, especially in confined areas.

**Conditions for safe storage, including any incompatibilities**

**Storage Conditions** Keep containers tightly closed in a dry, cool and well-ventilated place.

**Incompatible materials** None known based on information supplied.

---

### Section 8: Exposure Controls/Personal Protection

**Control parameters**

**Exposure Guidelines** This product, as supplied, does not contain any hazardous materials with occupational exposure limits established by the region specific regulatory bodies.

**Appropriate engineering controls**

**Engineering Controls** Ensure adequate ventilation, especially in confined areas.

**Individual protection measures, such as personal protective equipment**
Eye/face protection  Wear safety glasses with side shields (or goggles).

Hand Protection  Wear protective nitrile rubber gloves.

Skin and body protection  Suitable protective clothing.

Respiratory protection  If exposure limits are exceeded or irritation is experienced, NIOSH/MSHA approved respiratory protection should be worn. Positive-pressure supplied air respirators may be required for high airborne contaminant concentrations. Respiratory protection must be provided in accordance with current local regulations.

General Hygiene Considerations  Handle in accordance with good industrial hygiene and safety practice. Wash hands thoroughly after handling.

Section 9: Physical and Chemical Properties

Section 10: Stability and Reactivity

Reactivity

Chemical stability  Stable under normal conditions.

Possibility of Hazardous Reactions  None under normal processing.

Conditions to avoid  None known.

Incompatible materials  Strong oxidizing agents.
Hazardous Decomposition Products

None under normal use conditions

Thermal decomposition can lead to release of irritating and toxic gases and vapors Carbon oxides, Nitrogen oxides (NOx), Oxides of sulfur.

Section 11: Toxicological Information

Acute toxicity

Product Information
No acute toxicity information is available for this product

Information on toxicological effects

Symptoms
May cause allergy or asthma symptoms or breathing difficulties if inhaled.

Delayed and immediate effects as well as chronic effects from short and long-term exposure

Sensitization
May cause sensitization by inhalation and skin contact.

Germ cell mutagenicity
No information available.

Carcinogenicity
No information available

STOT - single exposure
No information available.

STOT - repeated exposure
No information available.

Aspiration hazard
No information available.

Target Organs
Ears, kidneys.

Potential health effects Inhalation
May be harmful if inhaled. May cause irritation of respiratory tract. May cause allergic respiratory reaction.

Ingestion
May be harmful if swallowed.

Skin
May be harmful in contact with skin. May cause irritation.

Eyes
May cause eye irritation.

Section 12: Ecological Information (non-mandatory)

Ecotoxicity effects
No information available.

Mobility
No information available.

Biodegradation
No information available.

Bioaccumulation
No information available.

Section 13: Disposal Considerations (non-mandatory)

Dispose of in accordance with local regulations.

Section 14: Transport Information (non-mandatory)
IATA
Proper shipping name Not classified as dangerous in the meaning of transport regulations
Hazard class None
Subsidiary Class None
Packing group None
UN-No None

Section 15: Regulatory Information (non-mandatory)

U.S. Federal Regulations

SARA 313 This product is not regulated by SARA.

Clean Air Act, Section 112 Hazardous Air Pollutants (HAPs) (see 40 CFR 61)
This product does not contain HAPs.

U.S. State Regulations

California Proposition 65
This product does not contain Proposition 65 chemicals:

WHMIS hazard class:

D2B Toxic materials

This product has been classified according to the hazard criteria of the CPR and the SDS contains all of the information required by the CPR

Section 16: Other Information

Version 1 SDS created on May 8, 2015
The information provided on this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guide for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered as a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other material or in any process, unless specified in the text.
The statements herein are intended to be followed by persons having related technical skills.
